Re: Form 8871 EIN 54-1950148

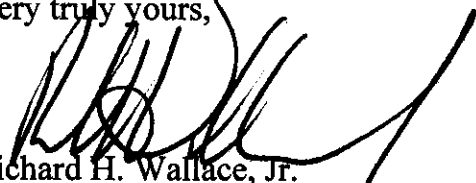

Dear Sirs:

Form 8871 and the change in IRC §527 possibly requiring this form to be filed by our PAC on or before July 31, 2000 were brought to my attention during a telephone conversation while I was away from my office last week.

This form is being completed and submitted today, my first day back in town, without my having had an opportunity to review the statutory changes and the applicability, if any, to our organization. The guidelines of the Service will be reviewed by me, also, as they become available.

Therefore, this form and the form today filed electronically should be considered provisional and protective filings in the event that it is determined that we are subject to the filing and reporting requirements of IRC §527.

Very truly yours,

Richard H. Wallace, Jr.
Managing Director & Treasurer
